## Available configurations

### Adjustable shelving

Easy to install, they allow you to organize your deliveries. Need more space? Lift them to optimize the loading area.

### Fixed partition

Need to transport chilled, fresh, and dry goods simultaneously? A fixed partition lets you do so without breaking the cold chain.

### Load restraint tracks

Secure your goods and deliveries with our load restraint tracks. Configure their placement to suit your needs.

### Strip curtains

To preserve the freshness of your products, the PVC strip curtain reduces temperature loss while allowing easy access to your goods.
